NOTES AND ORDERS.

2) The present proposal of the D.C of Tumkur — which is a departure from the existing practice of advancing subsistence loans to agriculturists and their ~~dependants~~ labourers only — concerns the distressed middle class people in his district who own houses within municipal limits, who are unaccustomed to manual labour and who are, all the same, in great distress and in need of immediate help.

3) The R.C is of opinion that advances may be given to such distressed people on the security of houses owned by them and also suggests that a separate allotment may be sanctioned for the purpose.

4) Reference is invited, in this connection, to para. 7 of the G.O dated 7th Dec 1923 wherein a sum of Rs 5,000 has been sanctioned towards subsistence advances for each of the taluks of Maddagiri and Koratagere in the Tumkur dist and to para. 2 of G.O dated 26th Dec 1923 sanctioning a sum of Rs 90,000 for meeting the loan requirements of Kolar and Tumkur districts — the second grant being a general one and not specifically for subsistence advances.

1) Granting subsistence loans on the security of houses is rather vague. On what basis the loans are to be granted & how they are to be recovered particularly as the class of people to whom they are intended to be granted do not work as coolies, one such clear. OFFICE OF THE REVENUE COMMISSIONER

FROM

K. Chandy, Esquire, B.A.,
Revenue Commissioner in Mysore.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department, Bangalore.

SIR,

I have the honour to forward herewith a copy of letter No. O.C. 1840/22-23 dated the 8th January 1924 from the Deputy Commissioner, Tumkur District, recommending the grant of subsistence loans to deserving persons living in Municipal areas owning houses but not lands. The Deputy Commissioner states that several of these persons are unable to raise loans elsewhere on the security of their houses: and that they are also not in the habit of going out to work as coolies and he therefore recommends that permission may be given to the local officers to grant loans to such deserving persons living in municipal areas on the security of their houses.

In the circumstances set forth by the Deputy Commissioner, I request that sanction of Government may be obtained for granting loans in such cases and for making a separate allotment for the purpose.

I have the honour to be,

Sir,

Your most obedient servant,

K. Chandy

Revenue Commissioner.

Copy of the letter No. O.C. 1840/22-23 dated the 8th January 1924 from the Deputy Commissioner, Tumkur District, to the Revenue Commissioner in Mysore, Bangalore.

"I have the honour to state that several persons living in the Municipal areas and owning houses but not lands, have requested for the grant of subsistence loans, on account of their inability to rise loans elsewhere on the security of their houses. Several of them stated that they are not in the habit of going out to work as coolies. The cases of such persons belonging to the middle classes deserve some consideration. Under the existing rules, subsistence loans could be given only to land-holders or their dependents. I therefore think that permission may be given to the local officers to grant loans to such deserving persons in the Municipalities on the security of their houses, if found suitable.

I solicit the favour of very early instructions in the matter, as some of these people are in distress, and the Municipal Councils have pleaded want of funds for the purpose .
